

Klove is such a positive part of our community in Mesa, AZ. It is so refreshing to be able to listen to commercial free radio that is wholesome and uplifting. I do not have to worry about what my child will hear on the radio in the form of rude lyrics or product endorsements that we do not support as a family. There are so many benefits to having Klove available. When I travel, I always search for the local Klove station in my new city as well. I am hooked on their positive messages and wholesome point of view, not to mention great music. Klove's message also offers the world hope. The world is so full of negative and depressing messages. Klove is a bright star, offering hope and love, in the dead of night. I will occasionally flip channels on the radio, and it doesn't take long for me to get right back to Klove. . . . the mindless chatter and barrage of ads on other stations is exhausting. Klove is awesome and I love it! I would be lost without it.
